

**NEW YORK
ONDAMED ADVANCED SEMINAR 19-20 JUNE, 2009**

**Hilton Garden Inn
15 Crossroads Court
Newburgh, NY 12550**

Dear therapists, doctors, guests,
Dear Silva and Rolf Binder,

I welcome you from Korea, Canada, Mexico, Denmark, Great Britain, Florida, Arizona, Connecticut, Colorado, Germany, New York, Missouri, California, New Jersey, Illinois, Washington State, Massachusetts, Minnesota, Louisiana, Michigan, Pennsylvania, Rhode Island, Indiana, New Hampshire, Virginia, Texas, Tennessee, Maryland, and Georgia.

When Peter Holyk was asked about the fastest way to implement ONDAMED, he responded: I had to re-learn to trust myself - something that had been lost during my University studies.

The reason is simple:

ONDAMED is the only worldwide medical tool which shows clearly, that the same disease must be treated differently in each patient. Each disease has its individuality and is therefore connected to other organs individually. Consequently the same disease must be treated completely different in various patients.

ONDAMED tells us where to go, what to treat and how to treat.

It is based on the laws of physics such as nuclear magnetic resonance, photon resonance, and – as Jim Oschman presented in San Diego – it follows the same principles as absorption and emission spectroscopy.

ONDAMED's octave – tone and overtone - frequency structure is following the findings of Erwin Schroedinger, nobel price laureate in 1933 and the father of quantum mechanics. As such Rolf Binder has indeed created a truly fundamental and intelligent tool which matches the laws of healing.

Consequently:

ONDAMED has brought substantial hope to people and families who otherwise had been stranded.

This seminar is a hand on training to secure the trust in yourself as a therapist. It can bring hope to numerous patients which will come your way. The physical training program will be your corner stone for satisfaction to producing therapeutic results with the ONDAMED.

Physics will be made easy to comprehend so that you truly know what you are doing.

If you give me permission to guide you on this party in my own way , I can promise you success.
